Dear Centex Members, Vendors and Transportation Officials,

It is an honor to serve as your President for the 2017-2018 school year! The Executive Committee and I are working hard to bring you a great conference as well as essential information at each chapter meeting.

Your executive committee is ready to serve you with effective communication and networking. This year the executive committee will be reaching out to other districts and vendors in and around Regions 13 & 20. We want to ensure that all districts are aware of our CENTEX chapter and all that we have to offer.

I invite you to become a member of CENTEX, TAPT, TASBT, and NAPT. These organizations remain committed to bringing the newest technology, education and updates on legislation to all members. I look forward to serving as your President this school year!

Shana D. Celestine

President
