

Priscilla Bennett, Transportation Staffing Specialist for Northside ISD

Priscilla is originally from Southern California but has called San Antonio home for 14 years now. She started at Northside ISD as a Bus Driver in July 2011 and in March 2013 she accepted a position to the Routing Department. In January 2015 she became an Assistant Station Manager at the McClung Station, one of the five bus terminals at Northside ISD. Eager for a new challenge, she was promoted in April 2018 to her current position. Priscilla is very proud to have become a TAPT Certified Official in August 2019. She was honored to join the Centex Executive Committee for the 20-21 school year as the Historian.

Priscilla is a proud mother of three children: Kenia Renee 25, Jacqueline 24 and Robbie 20 years old and they all love to travel. She has recently tied the knot with another transportation professional so she lives, works, and loves school transportation!
